Re: Triumph Leasing Corporation

To Whom It May Concern:

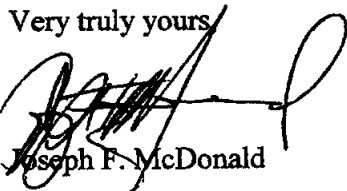

It has been the privilege of J. F. McDonald Insurance Agency, Inc. and International Fidelity Insurance Company to provide surety bonds on behalf of Triumph Leasing Corporation for over 7 years. In our opinion, Triumph Leasing Corporation remains properly financed, well equipped and capably managed.

At the present time, International Fidelity Insurance Company provides a \$20,000,000 aggregate surety program to Triumph Leasing Corporation. International Fidelity Insurance Company is rated "A-" (Excellent) by A. M. Best Company.

This is not a commitment to provide a bond, as all bond requests are subject to our review of the contract documents for a particular project, as well as Triumph Leasing Corporation continuing to satisfy our underwriting requirements.

Please contact us should you require further confirmation on the company.

Very truly yours

Joseph F. McDonald
